**DECLARATION AND POWER OF ATTORNEY
FOR A UNITED STATES PATENT APPLICATION**

As the below-named inventor, I hereby declare:

My residence, post office address and citizenship are as stated below next to my name. I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention METHODS OF IDENTIFYING KINASES AND USES THEREOF, the specification of which was filed on April 22, 2004 and received U.S. Serial No. 10/829,512.

I hereby state that I have reviewed and understand the contents of the above-mentioned specification, including the claims.

I acknowledge a duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

Claim to benefit of foreign application(s) as follows:

I hereby claim foreign priority benefits under 35 U.S.C. §119 for the following foreign applications for patent or inventor's certificate.

NONE

The following foreign applications for patent or inventor's certificate have a filing date earlier than the filing date of the applications identified above.

NONE

Claim to benefit of earlier U.S. application(s) as follows:

I hereby claim benefit under 35 U.S.C. §119(e) of any United States provisional application(s) listed below.

U. S. Serial No. 60/470,647; Filed: May 15, 2003

I hereby claim the benefit under 35 U.S.C. §120 of the following earlier-filed United States patent applications.

NONE

Insofar as the subject matter of each of the claims of this application is not disclosed in the prior U.S. applications in the manner required by 35 U.S.C. §112, first paragraph, I acknowledge a duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. §1.56 which came into existence between the filing date(s) of the prior applications and the national or PCT filing date of this application.

I hereby appoint the attorneys and/or agents associated with Customer Number 23492 to prosecute this application and any continuation or divisional applications based hereon, and to transact all business in the U.S. Patent and Trademark Office connected therewith.

Please send correspondence for the above-identified application to the address associated with the above-mentioned Customer Number.
